Medora City Laws

The City of Medora intensely regulates the distribution and consumption of alcoholic beverages. Alcohol may not be brought into the conference center without prior consent of the Hotel. Certain events at the conference center will require the purchase of a special event liquor permit. AmericInn will secure this permit on your behalf. A \$250 fee for bar service is due prior to the event. Certain consumption limits must be met to ensure a minimum serve fee will not be applied. Absolutely no alcohol can leave the conference center. Outside consumption of alcoholic beverages is not allowed anywhere in the Medora city limits. Law enforcement reserves the right to penalize anybody found drinking outside of the conference center. Certain events will require a City sponsored security guard which will be funded by the group.
